Source Bank-Websites in March 2019 - Forex Exchange up to CHF 50'000

Our business model

Competitors Analysis

Saving 50-70% of the costs

The exchange of foreign currency and the corresponding money transfers can be handled elegantly in one step. Additional expenses or commissions will be eliminated and your administrative effort will be reduced.

Transaction example:

You buy EUR 50'000 at an interbank rate of EUR / CHF 1.0880:

- Bank Rate	CHF	55'130
- FX-Consulting AG	CHF	54'625
- Difference = Your Profit	CHF	505

The **saving potential** is approximately **1%** per currency exchange.

With 2 transactions per month, the savings potential is CHF 1'010 or more than CHF 12'000 per year!
