

Signature Card

FX-Consulting

Company _____

Place: _____

The following specified persons represent the signatory company in their course of business with FX Consulting, Zurich. In particular they are authorised to perform foreign exchange transactions for the necessary course of business. If different persons maintain the signature, it is to be indicated expressly whether each individual signature or several signatures together are to be regarded as legal. Without contrary instruction FX Consulting regards each person as individually authorised for legal transactions. The signatures attached are independent of other commercial register entries and publications and are thus valid as long as they are not revoked in writing to FX Consulting.

Name of the authorised person	Signature	Limits in CHF	Kind of transaction	
			Separat	In pairs

This signature sheet

- is new
- does replace the previous signature policy
- supplements the previous signature policy

The authenticity and validity of the above signatures, the indicated kind of the transaction and the limits are hereby certified.

We hereby declare that we have received and are following the general terms & conditions of FX Consulting.
